GENERAL INFORMATION

NOTE: When an emergency arises, **do not dial 9-1-1!** The emergency center screen would not show information necessary for response. The 9-1-1 Office and the Memphis Fire Department request that all emergency calls be routed through The University of Memphis Police Services dispatcher. The dispatcher will immediately create a conference call with the necessary emergency agency. Police Services will have the caller's location displayed. This procedure ensures emergency aid routing to the correct location.

IMPORTANT NOTICE REGARDING DIRECTORY INFORMATION

The following student information has been designated "Directory Information" by University officials: name, address, telephone number, date and place of birth, academic major, dates of attendance, degrees(s) awarded and the most recent previous educational institution attended by the student. This information will be released upon request to interested parties unless the student has provided a signed statement to the Records Office, 115 Administration Building, within 14 days of the beginning of classes each semester requesting that such information not be released.

CLASS CANCELLATION & INCLEMENT WEATHER POLICY

In the event that inclement weather requires the cancellation of classes and/or campus activities at The University of Memphis, local radio and television news media will be immediately notified for dissemination as they deem appropriate. Our campus radio station, WUMR (FM 91.7), will be notified first. Also, the University's Information Line **(678-0888)** will have official statements. Such closing decisions will also be given to University vice presidents for dissemination through the notification system in place for each University division. Cancellations may not apply to administrative offices. Each faculty and staff member and each student is expected to recognize that inclement weather creates conditions more dangerous than normal. Therefore, each person is expected to exercise a high degree of care to avoid accidents. All non-teaching employees who do not report to work during inclement weather will be considered in an annual leave or leave without pay status for the period of their absence. (The U of M Procedure 2A:16:01A)

THE DRUG-FREE SCHOOLS AND COMMUNITIES ACT (UNIVERSITY POLICY 1:2D:05:13)

Students and employees are prohibited from engaging in the unlawful manufacture, distribution, dispensation, possession, use or being under the influence of controlled substances (illicit) drugs and/or alcohol on The University of Memphis campus or on property owned or controlled by The University of Memphis or as a part of any University-sponsored activities.

All students and employees are subject to applicable laws related to this matter and any violation of this policy will result in disciplinary action up to and including expulsion or termination of employment with the University and referral for prosecution or mandatory satisfactory participation in a drug/alcohol abuse assistance or rehabilitation program.

The University of Memphis is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award bachelor's, first professional, master's, educational specialist's and doctor's degrees.

STUDENTS

(compiled by Office of the Registrar, 115 Administration Building)

Information in the Student section of the University Campus Directory is taken from data supplied by students to the University. In order to ensure an up-to-date listing in next year's directory, students should verify with the Office of the Registrar within the first fourteen calendar days after the beginning of the fall semester that correct information is on file in that office.

Currently enrolled students may withhold disclosure of their student information under the Family Educational Rights and Privacy Act of 1974. Students who do not wish to have directory information published must file notice in the Office of the Registrar. This must be done within the first fourteen calendar days after the beginning of the semester. The University assumes that failure on the student's part to specifically request withholding directory information indicates the student's approval for the disclosure.

The student listings in the 2000-2001 University Campus Directory are taken from the information on computer file in the Office of the Registrar.

YOU'RE WELCOME.

You'll be flying in a jet maintained by Tommy.

When Tommy grows up, he'll be an aircraft mechanic. Perhaps he'll work on a jet that you fly in some day.

By then, the job will require an advanced knowledge of chemistry, physics, and trigonometry. Unfortunately, very few kids are being prepared to master such sophisticated subjects.

If we want children who can handle tomorrow's good jobs, more kids need to take more challenging academic courses. To find out how you can help the effort to raise standards in America's schools, please call 1-800-96-PROMISE. If we all pitch in and help, America will get where it needs to go.
